being in 12th period
with you made it
worth coming to because
we roused so much hell
all year long hope to see
you next year don't party

ALMA MATER

There are many junior high schools
All o'er the country 'round
But none are as dear as Hixson,
Where great pride is found.

Alma Mater, Alma Mater,
To our own school we sing,
We love Hixson Junior High School,
Loud our praises ring.

Through many walks of life
May all of your memories cling
To thoughts of dear Hixson Junior
And the joys they bring.

Alma Mater, Alma Mater,
To our own school we sing,
We love Hixson Junior High School,
Loud our praises ring.

We've only just begun to live . . .

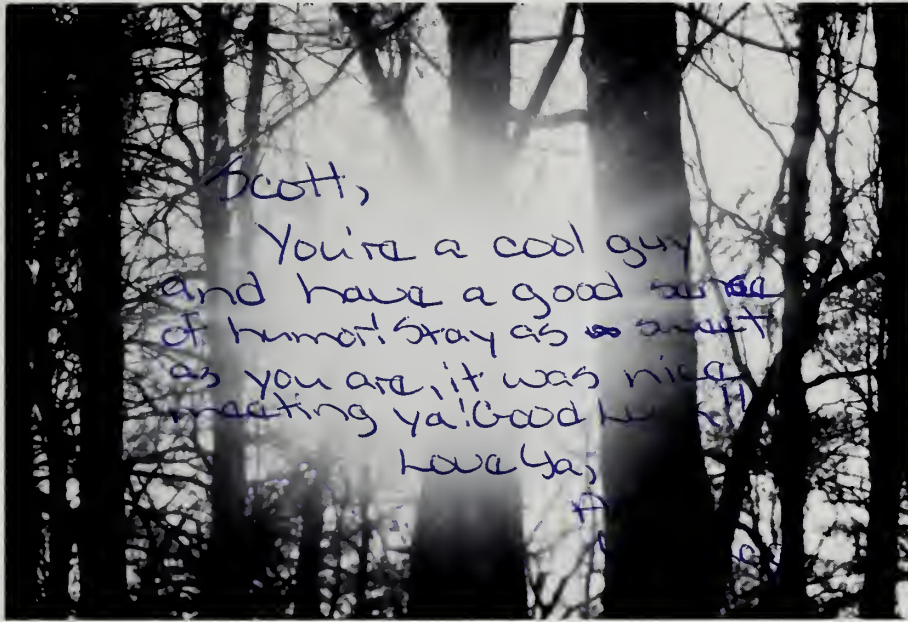

Yes, we have just begun to live. Junior high is when you begin to find yourself. At that time you have a lot more responsibility and a whole lot more fun. We hope that this annual will help you to remember your years at Hixson.

We would also like to express our appreciation to the '78 yearbook staff and to our sponsors, Miss Jackson and Mrs. Crabtree, for their hard work during this past year.

Mark and Chris

We've only just begun to live
White lace and promises,
A kiss for luck and
We're on our way.

Before the rising sun we fly,
So many roads to choose.
We start out walking and
learn to run.
And, yes, we've just begun

Sharing horizons that are new to us,
Watching the signs along the way,
Talking it over just the two of us,
Working together day to day.

And when the evening comes, we smile
 So much of life ahead
 We'll find a place where there's room to grow
 We've only just begun.

Three Stooges?
